

A287 Farnham Road Improvement Works

Roadworks to install A287 (Farnham Road) / Redfields Lane Roundabout starting **2 August 2021**

What do the roadworks mean for me?

To accommodate this work, the following traffic management measures have been agreed with Hampshire County Council:

- **A287 (Farnham Road) – open to two-way traffic**, with a reduced speed limit of 30 miles per hour (mph) introduced.
- **Redfields Lane – closed to through-traffic**. A diversion will be put in place via B3013 (Beacon Hill Road), Aldershot Road then back to the northern end of Redfields Lane.
- **Bowling Alley – closed to through-traffic**. Users will be directed to use the junction near the Bovernhurst Kennels to gain access to/from the A287.

The above road closures and traffic management will remain in place until all work is completed – this is anticipated as being Autumn 2022.
